WHO WILL CONTROL
THE WORLD?

Adolf Hitler predicted a
united Europe and a 1,000
year world domination

“See, my people, we do not
need anything from God!
We do not ask anything from
Him except that he may let
us alone...”

We want to fight our own war, with our own guns, without God. We want to gain our victory without the help of God!”

The Book of
DANIEL

DANIEL'S life and ministry bridge the entire seventy-year period of Babylonian captivity. Deported to Babylon at the age of sixteen, and handpicked for government service, Daniel becomes God's prophetic mouthpiece to the Jewish world declaring God's present and eternal purpose. Nine of the visions in his book revolve around dreams, including God-given visions for the animals, beasts, and images. In both his personal adventures and prophecies, Daniel shows God's guidance, intervention, and power.

The name Dan'ye'l or Dani'el means "God Is My Judge," and is named after the author and principal character. The Septuagint is the basis for the Latin and English titles.
